

__udivdi3

__umoddi3

__qdivrem

```
graph LR; A[__udivdi3] --> C[__qdivrem]; B[__umoddi3] --> C;
```

A diagram showing two boxes on the left, one labeled `__udivdi3` and one labeled `__umoddi3`. Two blue arrows originate from the right side of these boxes and point towards a single box on the right labeled `__qdivrem`. The `__qdivrem` box has a gray background, while the others are white.
