

Source/Kernel/Core
/includes/ctrl_block.h

```
graph TD; A["Source/Kernel/Core<br>/includes/ctrl_block.h"] --> B["stdint.h"]; A --> C["cpu.h"]
```

The diagram illustrates the include relationships for the file `Source/Kernel/Core/includes/ctrl_block.h`. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that `ctrl_block.h` includes both `stdint.h` and `cpu.h`.

stdint.h

cpu.h
